# MEMBERSHIP

West Side Arts Coalition  
1979

With few exceptions, the work of the West Side Arts Coalition is done through its member volunteers. You are asked to identify what interests you most, what benefits you would like to receive as a member, and in what ways you can be useful.

You may volunteer to serve on a committee or as an advisor to the Board. You may nominate yourself or another member for election to the Board.

If you cannot help in these practical ways, you may give a money donation in lieu of volunteer service.

Your help and involvement are greatly appreciated.

We look forward to working with you!
